THOUGHTS FROM THE PASTOR.....

“You shall love the Lord your God with all your heart, and with all your soul, and with all your mind....You shall love your neighbor as yourself.”

Matthew 22:37&39

Many times we find that during the summer months, things slow down for most of us, especially when it comes to what is happening at church. Here at Church of the Apostles that has not been the case. Most of the committees of the church (we are now calling Teams), have been meeting to discern how we can best utilize our resources here at Apostles and the ways God is calling us to minister to our fullest potential.

One “Team” that has been exploring new possibilities for ministry for Church of the Apostles is the Growth Team. Each of the Team members along with myself, have been praying and reading various books on church growth and vitality to assess a new approach to doing ministry in our church. One of the books is a guide developed for small churches within our denomination entitled “BE THE CHURCH”. This meme should sound familiar to most of us since we have had two outside banners proclaiming this message for several years.

The banner says: **BE THE CHURCH – Protect the environment. Care for the poor. Forgive often. Reject racism. Fight for the powerless. Share earthly and spiritual resources. Embrace diversity. Love God.**

Enjoy this life. These nine statements represent a collective call to action, a call to Be the Church. Let me break down these nine statements in a way that will be more helpful to us when considering our call to be the church:

BE THE CHURCH...

Protect the environment

Because it is God’s handiwork and because it is precious to God.

Care for the poor

Because they are God’s handiwork and because they are precious, especially precious to God,

Forgive often

Because God has forgiven you.

Reject racism

Because the very heart of the good news is that walls are torn down and that people...all people, all races...are reconciled to each other.

Fight for the powerless

Because we have a common enemy, the pride and greed and fear that drive us apart and robs all of us of the richness of life God intends for us.

Share earthly and Spiritual resources

God blesses us so that we may be a blessing.

Embrace diversity

Because only together, in all our extravagant variation, do we fully reflect the glory of God.

Love God

You do understand, don't you, that loving God is not an obligation, but an extraordinary privilege?

Enjoy this life

Really? That's on the list? Yes, really! Enjoying this life is an important part of what it means to be the church.

So, the next step is to bring you, the members of Church of the Apostles, into the process by asking you to complete a preliminary assessment of our church's activities over the past five years. This will help us to identify where energies may exist that can be built upon within the congregation. These assessments are available now at the church office. Our hope is that you will become a part of this important time in the life of Church of the Apostles as we try and discern tangible, adaptable ways to develop programs and activities to live into God's beloved community with clear outcomes. In the words of Rev. John Dourhauer, President and General Minister of the UCC: "It has been nothing short of remarkable how much energy the 'BE THE CHURH' meme has created across the life of our UCC...No matter your size or location, this resource will help bring alive a vision of the church that has excited and inspired so many."

May we here at Church of the Apostles UCC find our way to live out the "BE THE CHURCH" meme to know and share God-inspired joy!

Blessings, Pastor Narda

August 9: Same Kind of Different as Me - A True Story

The book is available in the Narthex for anyone to read.

Successful businessman Ron Hall and his wife, Deborah, discover a renewed sense of purpose when they begin to volunteer at a local mission in Fort Worth, Texas. Their lives change forever when they develop an unlikely friendship with Denver Moore, a homeless man who inspires them to save their struggling marriage.

August 30: I Can Only Imagine - A True Story

Growing up in Greenville, Texas, Bart Millard suffers physical and emotional abuse at the hands of his father, Arthur. When Arthur becomes terminally ill, he finds redemption by embracing his faith and rediscovering his love for his son. Years later, Bart's troubled childhood and mended relationship with his dad inspires him to write the hit song "I Can Only Imagine" as singer of the Christian band MercyMe.

September 20: Paul, Apostle of Christ

Risking his life, Luke ventures to Rome to visit Paul - the apostle who's bound in chains and held captive in Nero's darkest and bleakest prison cell. Haunted by the shadows of his past misdeeds, Paul wonders if he's been forgotten as he awaits his grisly execution. Before Paul's death, Luke resolves to write another book that details the birth of what will come to be known as the church.

October 25: Risen

Roman military tribune Clavius (Joseph Fiennes) remains set in his ways after serving 25 years in the army. He arrives at a crossroad when he's tasked to investigate the mystery of what happened to Jesus (Cliff Curtis) following the Crucifixion. Accompanied by trusted aide Lucius (Tom Felton), his quest to disprove rumors of a risen Messiah makes him question his own beliefs and spirituality. As his journey takes him to places never dreamed of, Clavius discovers the truth that he's been seeking.

POLLINATOR & WILDLIFE HABITAT

July 2018

Work is progressing on our Pollinator & Wildlife Habitat at the corner of Barnett Avenue and Amsterdam Road that is certified by MONARCH-WATCH.ORG as WAYSTATION #19178 in support of the conservation & preservation of the beloved, endangered Monarch butterfly and it's spectacular annual migration.

A Pollinator & Wildlife Habitat group has been formed to participate in Monarchwatch activities; and to further enhance, develop and maintain the Habitat. Church and community members of all ages who are interested in learning more about this group may contact Bob & Shelley Benchoff at 717-749-5202.

The milkweed and wildlife area has been enhanced with a new mulched cultivated nectar plants garden between the entrances to the mowed walking paths.

**Explore the
Pollinator's Habitat

All of the sunflowers are planted and many are blooming ! The Pollinator & Habitat Group members will host & cut sunflowers this month at the following times:

MISSION STATEMENT

We are called together to worship God, united by the Holy Spirit, and chosen as instruments of our Lord's purpose to teach, support and serve all people. We witness to the church, the community and the world by showing joy in the faith and using our talents to praise God.
